

Exhibit Q

NOTICE OF DESIGNATED PROTECT AREA

Local Veterans Sports and Fitness in the Area School District

In an effort to bring the focus on our student athletes, we have created a designated area for practice and training on the site of the old school building. This area will be used for practice and training for the school's sports teams. The designated area will be to the right of the building on the main field and will be marked with orange cones. The designated area is subject to the following restrictions:

- 1. The designated area will be open to all students before and after school.
- 2. The designated area will be used for practice and training only.
- 3. The designated area will be used for practice and training only.
- 4. The designated area will be used for practice and training only.
- 5. The designated area will be used for practice and training only.
- 6. The designated area will be used for practice and training only.
- 7. The designated area will be used for practice and training only.
- 8. The designated area will be used for practice and training only.
- 9. The designated area will be used for practice and training only.
- 10. The designated area will be used for practice and training only.

Thank you for your cooperation in this effort. We appreciate your support in providing a safe and secure environment for our student athletes.
